DISCIPLINE & GUIDANCE

- Discipline must be:
 - Individualized and consistent for each child;
 - Appropriate to the child's level of understanding; and
 - Directed toward teaching this child acceptable behavior and self-control.
- A staff member may only use positive methods of discipline and guidance that encourage self-esteem, self-control, and self-direction, which include at least the following:
 - Using praise and encouragement of good behavior instead of focusing only upon unacceptable behavior;
 - Reminding a child of behavior expectations daily by using clear, positive statements;
 - Redirecting behavior using positive statements; and
 - Using brief supervised separation or time out from the group, when appropriate for the child's age and development, which is limited to no more than one minute per year of the child's age.
- There must be no harsh, cruel, or unusual treatment of any child. The following types of discipline and guidance are prohibited:
 - Corporal punishment or threats of corporal punishment;
 - Punishment, shaking, or biting a child;
 - Hitting a child with a hand or instrument;
 - Putting anything in or on a child's mouth;

 - Requiring a child to remain silent or inactive for inappropriately long periods of time for the child's age.

The Tarrant County Kids standard of child guidance is positive and based on assisting the child to learn to better control his/her responses to situations.

BEHAVIORAL CONSEQUENCES

When a child chooses to misbehave or not follow the instructions of the program staff:

- He/she will be verbally redirected for minor incidents.
- He/she will be separated from the other children in reflection time. Reflection times are approximately five minutes long and are designed to allow the child to think about his/her actions and start fresh afterwards.
- Additional reflection time may be used for continued misbehavior, and a Behavior Report will be written. **Behavior Reports** are on-site notices designed to inform parents of their child's behavior.
- We require the parent to sign the Behavior Report and then it is turned in to our administrative office.
- Under normal circumstances, when two or three Behavior Reports are written for a child, the parent will receive:

- **1st Letter** – This is the first warning. This letter also serves as a reminder to review our rules and policies within the parent handbook. The Behavior Reports will be summarized. If another Behavior Report is written after the parent has received the 1st Letter, then the parent will receive the 2nd Letter.
- **2nd Letter** – This is the final warning. This letter is our last attempt to encourage positive behavioral change. Once again, Behavior Reports will be summarized. If another Behavior Report is written after the parent has received the 2nd Letter, the parent will then receive the 3rd Letter.
- **3rd Letter** – This letter is a notification of suspension or removal from the program. Suspensions last five program days. Upon return from a suspension, the child is subject to further suspensions or expulsion if the behavioral issues continue.
- Behavior that is more extreme, such as acts of physical aggression or inappropriate language and/or touching, may be grounds for immediate suspension and/or expulsion from the program.
- If a child destroys property belonging to Tarrant County Kids or the school, the parent will be responsible for paying for the cost of the damage.
- Any child exhibiting behavioral problems will not be allowed to participate in field trips.

Tarrant County Kids reserves the right to remove any child at any time for any purpose the agency feels is reasonable. Tarrant County Kids also reserves the right to request without advanced notice that a child is picked up immediately due to behavior concerns.

Tarrant County Kids provides a quality experience for most children, however, it is not the best environment for every child or for the same child at different developmental stages.

- Children will not share combs or brushes.
- Children will not share towels, blankets, pillows, clothes, etc.

- Lost and found items will be laid out on a table every Friday and you will be asked to check the table for any items that might belong to your child.
 - Any leftover lost and found will be turned in to the main office every Friday night.
- Staff should be aware of any itching children and will check hair if needed. Checking any child's hair will be done discreetly and conducted outside to eliminate any embarrassment.
- You will be called and told to come get your child immediately.
- The child will be asked to sit near the staff table until you pick him/her up, but all efforts will be made to not embarrass the child in front of their peers.
- The child may not come back to the program until 24 hours after their treatment has been applied and completed, and any lice or their eggs (nits) must be gone for a length of 24 hours.

EMERGENCY PREPAREDNESS PLAN

An emergency preparedness plan is designed to ensure the safety of children during an emergency by addressing staff responsibilities and facility readiness with respect to emergency evacuation and relocation. The plan addresses the types of emergencies most likely to occur in your area including:

- An evacuation of the children and program givers to a designated safe area in an emergency such as a fire or gas leak.
- A relocation of the children and program givers to a designated, alternate shelter in an emergency such as a flood, a hurricane, medical emergency, or communicable disease outbreak.
- The sheltering and lock-down of children and program givers within the operation to temporarily protect them from situations such as a tornado, volatile person on the premises, or an endangering person in the area.

1. Evacuation, Relocation, and Sheltering/Lock-Down of Children

- a. The first responsibility of staff in an emergency evacuation or relocation is to move the children to a designated safe area or alternate shelter known to all employees, program givers, parents and volunteers.
 - o **Fire** - The children will move in single-file line to the relocation area which is on the playground and at least 50 feet away from the building. The relocation area is posted within the gym. Each gym is equipped with a fire extinguisher located near the exit doors.
 - o **Tornado or Severe Weather** - The children will move into an interior hallway that has no view of glass windows or doors. If this is not available, the location is in the nearest restrooms.
 - o **Intruder** - The staff will attempt to utilize an area of the school that can be locked and where the children are hidden from view.
 - o **Off grounds** - If the children must be moved off grounds we will coordinate with AISD bus transportation to drive the children to the alternate shelter.
- b. Children with limited mobility or who otherwise may need assistance in an emergency, such as children who have mental, visual, or hearing impairments will be given special consideration and attention by the Site Manager to ensure proper evacuation or relocation.
- c. The emergency evacuation and relocation diagrams are posted in the gym.
- d. The staff are responsible for moving the children to a designated location within the operation where the children should gather during a sheltering/lock-down emergency. They will bring items to allow for accountability and safety.

- Children's Files - contains enrollment forms and contact information for each child.
 - Regulation Book - contains Emergency Preparedness Plan and first aid guide
 - Attendance binder - contains the Attendance Sheets which track children in our program.
 - Site cell phone and charger
- e. Alternate shelter will be provided at:
Girls Inc. of Tarrant County / Tarrant County Kids
2820 Matlock Road, Arlington TX 76015
- f. Children in attendance at the time of any emergency will be accounted for at the designated safe area or alternate shelter by conducting face-to-name attendance to establish visual confirmation of each child.

2. Communication

- a. The site manager keeps the site cell phone at all times.
- b. The site manager or other designated staff will use the site cell phone to communicate with local authorities, parents, Texas DFPS or the program director. If relocated to the alternate shelter, the staff may utilize the office phone:
817-468-0306

3. Continuation of Program - At the end of an emergency evacuation or relocation, at least two staff will stay until all the children have been released to their parents or authorized pick-up persons.

4. Reunifying Children to Parents After an Emergency - During an emergency, the Site Manager or other designated staff will contact the parents with the site cell phone of all remaining children to make them aware of the emergency. Children will be released to an authorized person once signed-out by that individual.
